BISTRO

We are proud to present an exclusive selection of premium wines from the cellars of Petersons Wines and Savannah Estate at Mount View in the Hunter Valley. Since 1981 the Petersons family have been producing premium, award winning wines from small select parcel of premium fruit from the premier viticulture regions throughout Australia reflecting the best of their unique regionality and character. We first discovered Petersons Wines in 1990 and have been fans ever since. These are our favourites. We hope you enjoy them as much as we do!
